

How you can support local businesses during COVID-19

Order take away

- Take a night off from cooking and support local food outlets
- Call ahead to arrange a pick up or home delivery (if available)

Shop online

- Check if your favourite Macleay businesses are trading online
- Stay active and engaged by participating in online yoga, gym, art or music workshops

Support on socials

- Help Macleay businesses grow their social media presence by writing positive reviews
- Share their updated trading information and posts, and invite others to like their pages

Respect staff

- Frontline staff play an essential role in our local economy, so acknowledge their contribution, treat them with respect and show gratitude for their service
