NOTES FOR COMPLETING THIS APPLICATION

Note 1 Before an occupation certificate may be issued, the certifying authority must be satisfied that:

- a development consent or a complying development certificate is in force with respect to the building,
- and
- a construction certificate has been issued with respect to the plans and specifications for the building.

Note 2 A final fire safety certificate or interim fire safety certificate is not required for a class 1a or class 10 building.

Note 3 For the purposes of notifying a Council under clause 79L(2)(1) of the Regulation of the determination of an application, an accredited certifier must forward all sections of this form, including all attachments, to the relevant Council where they have not been previously forwarded to the Council.
