Tender for Kempsey Saleyards upgrade open

We are currently seeking Tenders from appropriately qualified and experienced Tenderers to provide design and construction services for the [Kempsey Regional Saleyards Infrastructure Upgrade](#). Interested businesses and contractors are invited to apply through eProcure. There is also a mandatory tender briefing on 9 April.

[Find out more about this tender](#)

About Council Tenders and EOIs

Council engages local contractors and businesses for various projects through the online portal eProcure. We advertise these opportunities inviting either

Requests for Quotation (RFQ), Requests for Tender (RFT) or Expressions of Interest (EOI).

Register on eProcure to receive notifications for future opportunities.

Pest animal control workshop - Kempsey

Local Land Services will be holding a workshop at Kempsey Showground about services to help you manage pest animals on your property with presentations on local pest animal management projects and equipment demonstrations. The workshop will cover signs, impacts and control techniques for feral pigs, foxes, wild dogs and more.

[Register for the workshop](#)

Regenerative Agriculture Field Day - Millbank

Join Regenerative Agriculture Macleay Alliance in Millbank on Tuesday 9 April 9am-12 noon.

The morning will include:

- A demonstration by property owner Vicki on how she uses vermiculture to produce vermicast tea brews and how to apply them to pastures, along with a paddock walk;
- A talk by Gavin Tinning, Sustainable Ag Project Officer BRRVLN about the recent dung beetle releases in the Macleay and how to find and identify dung beetles on your farm.

Morning tea will be provided.

Numbers will be limited, please RSVP to Leanne Wright via 0400892217 or lwr03509@bigpond.net.au

New handbook on TSA

A new manual to manage the spread of Tropical Soda Apple has been developed in partnership with the NSW Government, NSW Farmers, and a range of local councils including Kempsey Shire Council. The manual helps to identify the weed, how to control and dispose of the weed and how to stop its spread.

Download the manual here

North Coast Local Land Service events

Local Land Services host a number of in person and online sessions to deliver information to farmers, landholders and the wider community.

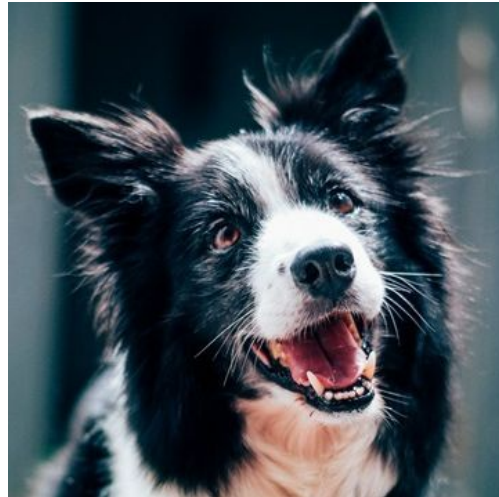

They cover a range of topics like biosecurity, pest animal management and emergencies.

Beware of wild dog attacks

North Coast Local Land Services has received five reports of wild dogs attacking domestic dogs this year.

Most attacks on domestic dogs are fatal due to the severity of injuries and there are steps you can take to reduce the risk.

[Find out how to reduce the risk of wild dogs](#)

North Coast Tick Fever

The first case of tick fever in NSW this year has been identified on the North Coast. Tick fever and cattle tick are notifiable under NSW biosecurity legislation. If you find sick or dead cattle, or suspect tick fever, immediately contact your LLS District Vet or call the Emergency Animal Disease Hotline, [1800 675 888](tel:1800675888).
